

# Consultant - Risk, Regulatory & Compliance

**Location:** Zurich

**Work Pattern Percentage:** 80% - 100%

**Ready to shape the future of financial services — not just watch from the sidelines?**

If you're looking for a place that values curiosity, fresh thinking, and ambition, this is where your journey begins.

Join a team of business, finance and legal experts that helps financial institutions stay ahead in a world shaped by constant change. We work on topics that matter — from solving strategic and legal challenges, implementing new regulations, managing non-financial and compliance risks in an increasingly complex environment.

With us, you'll dive into real client challenges, learn from experienced experts, and grow your skills on projects that combine analytical depth with tangible impact. It's the perfect place to start your career if you're curious, motivated, and ready to make a difference from day one.

- Work on strategic, risk, regulatory, compliance and legal projects in the Swiss financial services sector
- Prepare workshops and contribute to client discussions
- Analyze processes, identify inefficiencies, and support the design of optimized workflows, operating models
- Review, define risk and control frameworks
- Assist project teams in areas such as enforcement matters, restructuring, insolvency, and resolution processes

## **How you can make an impact**

- Work on strategic risk, regulatory and legal topics that shape the future of financial services at top tier financial institutions
- Take responsibility for different tasks and deliverables in project teams
- Be part of a multidisciplinary, driven team and develop expertise, grow professionally and personally
- Take the chance to collaborate with different areas within Deloitte, develop initiatives and go-to-market activities

## **Who We Are Looking For**

- Master's degree or close to graduation with an excellent academic record, university degree in business administration, economics, finance, law, engineering or similar
- Initial professional experience through internships or working student positions. Experience from a consulting/ legal/ regulatory/ financial services company are considered a plus
- Strong analytical, quantitative, conceptual skills
- Team player, open-minded personality
- Great communication skills
- Fluent German and English, any other language is considered as an advantage

## **Your Team**

You will join our Zurich-based team of interdisciplinary experts, combining backgrounds in law, economics, finance, and technology. We are a diverse, collaborative, and international group that thrives on tackling complex regulatory and compliance challenges from multiple perspectives. We value knowledge sharing, mutual support, and innovative thinking. Working with us means joining a dynamic environment where you can take ownership, grow your expertise, and make a tangible impact for our clients.

## **Careers at Deloitte. Choose your impact.**
