

Location: Geneva

Work Pattern Percentage: 80% - 100 %

Help our clients successfully manage global challenges.

Our Forensic team is looking for highly motivated talent to join our expanding team. We are seeking candidates with legal expertise who would value the opportunity to work within a team where precise document review is seen as an integral part of our daily activity.

How you can make an impact

- You will conduct document reviews and analyse various types of forensic data, including custodian communications, accounting documentation, and transactional data, adhering to review protocols provided by the client;
- You may also analyse the review results and, if necessary, contribute to writing a memo based on the documents identified as relevant during the review;
- You will use Relativity platform for document review (proficiency in Relativity is a plus but not essential);
- An exciting work environment focusing on collaboration, thoroughness, and celebrating each other's successes.

Who we are looking for

Alongside being proficient in English (French and German are a plus):

- You hold Bachelor's or Master's degree and 2+ years of professional experience;
- You possess legal knowledge (being a paralegal or an attorney at law is a plus);
- You have experience in document review exercises (within an investigation context is a plus);
- You are motivated to work in a demanding work environment;
- Available to work 80-100% on an On-Demand contract (paid hourly).

Your team

Become part of our fast-growing forensic practice and benefit from national and international career opportunities as well as a broad internal and external training program. Join 50 colleagues from your team and be part of a diverse young team that all share a passion for forensic technology.
