Help our clients successfully manage global challenges

Our Actuarial team provides a full range of actuarial support in the areas of life, non-life and health insurance as well as reinsurance. We are collaborating regularly with other teams in Audit & Assurance as well as with other lines of services, like Strategy, Risk & Transactions Advisory or Technology & Transformation, on large-scale finance projects.

In this position, you will be integrated into an experienced project team right from the start and will have day-to-day responsibilities to deliver reliable solutions.

How you can make an impact

- Support insurance clients on their finance transformation journey and, in particular, IFRS 17/9 implementation with actuarial expertise or Automation of Actuarial processes
- Advise life, non-life and health insurance companies on regulatory matters such as for example, Swiss Solvency Test or Solvency II
- Support actuarial audit and review work of (re)insurers with respect to local and international accounting standards (IFRS, US-GAAP)
- Develop actuarial methodology and hands-on actuarial modelling to solve complex challenges within life and non-life insurance
- Provide ad-hoc actuarial support of due diligence or M&A project work related to pensions and insurance companies

Who we are looking for

- You have a University degree (ETH or University) in actuarial science, mathematics, physics, economics or similar quantitative field
- You are a fresh graduate or have up to two years of experience in an actuarial position either in the Insurance industry or in Consulting
- You are willing to obtain a professional actuarial qualification (for example "Actuary SAA")
- You have excellent analytical and communication skills with a real willingness to learn and make a difference, and you enjoy working with different people from different fields

- You communicate confidently in both spoken and written German and English

Your team

Become part of a diverse, multinational and highly motivated team in our Zurich office. As a new team member, you will join a multicultural, team-oriented environment with flat hierarchies. We will help you grow both personally and professionally: through our trainings, mentoring programmes and on-the-job learning, but also by connecting with your colleagues across all business lines.
